An italian tile **made in the USA**

Basaltine is a color body porcelain tile inspired by the natural elegance of volcanic stone. A contemporary look designed to satisfy the most sophisticated aesthetic and architectonic tastes and requirements; Basaltine is available in 5 colors. With the option of using either a natural or grip finish, Basaltine is ideal for both walls and floors. The five sizes, available in rectified format, also help to create clean and modern atmospheres suitable for public spaces that desire to make an impact. The white color is perfect for unique and refined spaces. The two shades of gray and brown are ideal for being combined and creating new and original patterns. Offered in rectified formats, it may be used in modular patterns.
